## Applicable only if client is over 65 years old / with education level of primary or below
## 僅適用於 65 歲或以上 / 只具小學程度或以下學歷人士客戶

If you are at or over 65 years old or with education level of primary or below, in order to protect your interest, CMF will profile you as a conservative investor (lowest ranking) and CMF we will not accept your subscription instruction in high risk investment product.

However, if you consider that you should not be profiled as a conservative investor (lowest ranking) given your higher risk appetite and may want to deal in a wider range of investment products of a higher risk profile, please check the box on the left with signature below. By signing and checking the box, you confirmed that notwithstanding your age, you understand that your investment in such products may involve higher risk (including the possibility of loss of the capital invested) than what you can take and therefore may not be in your best interest.

如閣下已達 65 歲或以上／只具小學程度或以下學歷人士，為保障閣下的利益，CMF 將閣下定為保守型投資者(最低風險評級)。因此，CMF **不會**接受閣下認購高風險的投資產品。

然而，閣下如認為可承受較高風險而不應被定為保守型投資者(最低風險評級)，並有意買賣較廣泛的投資產品包括較高風險的產品。請在左面方格內劃勾並在下方簽署。透過在方格內劃勾及簽署，閣下確認儘管考慮年齡狀況，並明白於該等產品的投資涉及的風險可能較閣下可承受的為高（包括可能損失投資本金），未必屬於閣下的最佳利益。

☐ I want to deal in a wider range of investment products of a higher risk profile. I will provide more supporting documents for CMF to review this application.

☐ 本人有意買賣較廣泛的投資產品包括較高風險的產品。 如有需要，本人同意證明文件予 CMF 作進一步審查。
